(Photo Source: Paul Schwend)

### 7. View of Road 15 and bridge - Nassau County, Florida

"Road 15. Duval County Line to 10.1 Miles North. Looking southeast at first bridge northeast of Callahan"

1954

(Photo Source: State Archives of Florida/Florida - State Road Department)

### 8. Callahan Depot

(Photo Source: Paul Schwend/Earl Schwend collection)

### 9. 1940's Callahan

The front counter in the Schwend Insurance Agency office originally came from the Conner Building (the building on the right). In the 1980s, the Conner family held an estate sale, where the counter and Mr. Conner's personal desk were sold. Both pieces are now part of the Schwend Insurance Agency office today.

- US 1 wasn't built until 1954.
