

00:00

Hi! I'm Justin from Community First

00:02

Credit Union. Here's my Smart Cents tip

00:04

about home buying.

00:05

Understand your home's insurance

00:06

policies and what's covered when it

00:08

comes to natural disasters in Florida. In

00:09

most cases, you must pay a separate

00:12

deductible for damage caused by floods

00:13

or hurricanes. If you understand your

00:15

Policies, you won't be shocked or

00:17

surprised by high deductibles and

00:18

homeowner responsibilities after a storm.
