

Community First Card Services App Enrollment

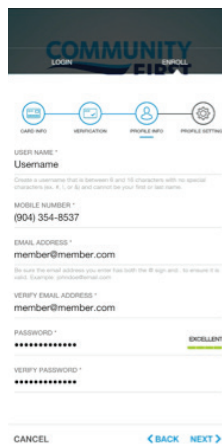

Download our Card Services mobile app.

1. After downloading the app, select “Enroll” from the login screen.

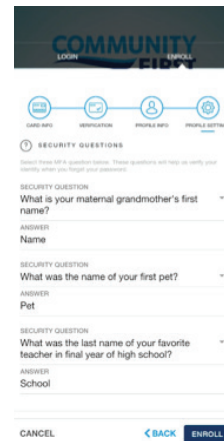

2. Enter your credit or debit card number and the first and last name of the primary cardholder.

3. Next, complete the date of birth and the last four of social for the primary cardholder.

4. Select your username (case-sensitive) and complete your contact information. Then, create a password using a combination of letters (upper and lower), numbers, and/or special characters.

5. Last, select your security questions to complete enrollment. Once complete, select “Enroll”.
